Shine! Kickoff Assembly

On January 30th, Luther Lee had an assembly to kickoff their One School, One Book program for Shine! by J.J. and Chris Grabenstein. Mr. Mazzini read the first few chapters and students learned about the trivia contest. A question is asked each morning about the previous nights' chapters. At the end of three weeks, the students in the class at each grade level that answers the most questions correctly will win a \$5 gift card to Books and Greetings in Northvale provided by the PTO.

Spotlight on Kindergarten

The Kindergarten students have been super busy since the start of the new year! We have been learning about nutrition, exercise, and how to take care of our bodies. The students are now able to recognize and give examples of each of the five food groups: dairy, vegetables, fruits, grains, and proteins. We also spoke about the My Plate to help the students learn how to build a healthy plate. We read The Mitten by Jan Brett and discussed the characters, setting, and theme of the story. Great job Kindergarten!

Dear Parents/Guardians,

I hope that everyone is doing well. I cannot begin to tell you how wonderful it is to visit classes throughout County Road and Luther Lee Emerson and see the wonderful lessons that our teachers create each day to keep our students engaged. Also, the PTO has been working with us to plan events for this year that we did in the past prior to COVID. These include International Heritage Day and the Me & My Dances. Information regarding these will be forthcoming as the time draws near.
