May 5, 2023

Second Grade Show

On Friday, April 28th, the second grade students performed the show 'Goal!' for their families. Thank you to Ms. Ahn for a wonderful show and Mrs. Stokes for the beautiful artwork.

Fourth Grade Field Trip

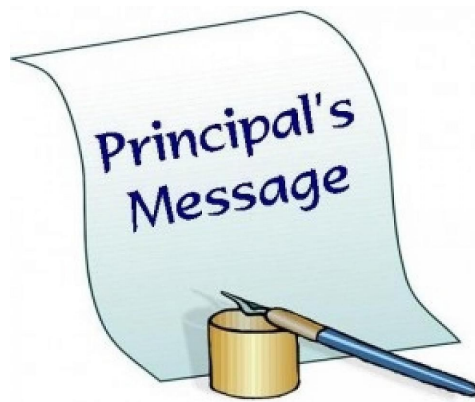

On Tuesday, May 2nd, the fourth grade students went on a field trip to Liberty Science Center in Jersey City, New Jersey. The fourth graders had fun exploring many different exhibits there.

Spotlight on Preschool

The preschoolers explored the thematic unit "All Around The World" and the importance of keeping the earth clean and safe. We practiced the 3 Rs "reduce, reuse, and recycle." We celebrated Earth Day, read the story "I Can Save The Earth" and made Earth Day crowns. Great job Preschool!

May 5, 2023
