

♥ Welcome to Kindergarten

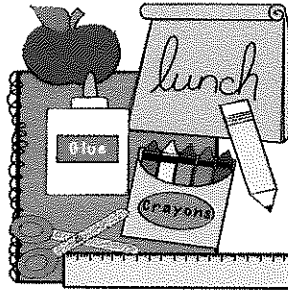

Hello! We hope you had a great summer and we are excited to have you in our class this year. The first day of school is Wednesday, September 1st, and we will be doing many fun and exciting things in Kindergarten this year. Below is a list of things to bring with you to school.

- **A large backpack** - We will be doing many projects and will be sending home papers on a daily basis. The backpack you choose should be able to hold a standard size folder. *(We will supply you with all the necessary materials you will need in class along with a "Homework Folder".)*
- **Snack & Lunch** - Snack needs to be packed in a separate bag/container from your lunch. Please make certain to label both your snack and lunch bag/box. *(Please label "snack" on the snack bag/box.)*

We look forward to beginning a terrific kindergarten year with you! See you soon!

Dear Parents,

The first day of Kindergarten is often an exciting and emotional time for parents and students alike. To help ease any anxieties, we will be meeting your child in the gym. Each student will join a line with his/her new classmates. Goodbyes are to be said here, prior to the children entering the school. By allowing your child to enter the building independently, you are sending a message of confidence. When a parent/guardian accompanies a child into the building, separation is made more difficult and the anxiety is often prolonged.

We appreciate your cooperation in helping make this a successful transition. We look forward to a wonderful school year!

Thank you,

The Kindergarten Teachers
