POETRY FESTIVAL

Four LLE Poets presented their poems at the annual Dr. William P. Dorney Poetry Festival held on June 5th at the Northern Valley High School at Demarest. Ms. Sutker chaperoned Alexandra Carey and Lauren Huh from Grade 3 and Grayson Galli and Jordyn Semegran from Grade 4 to the festival.

Congratulations to all 4 students for a fantastic job!

Kindergarteners having some farm fun at Farmstead Estate.

The farm offered a wonderful program with hands-on experience. The students had the opportunity to pet the animals, hold the animal babies and enjoy the outdoor facilities. The farm trip is an extension of the kindergarten curriculum: Animal Characteristics and Habitats.

On May 24th, the LLE Third grade students visited Carnegie Hall. They listened to the symphony orchestra then joined the orchestra with some Jazz tunes. Congratulations on a wonderful performance!

“Learners Today, Leaders Tomorrow”

The week of June 5th was the Fourth Grade Wax Museum. Students read a biography and researched the famous figure to bring that person to life during the wax museum. Visitors stepped on a button and Annie Oakley or Cleopatra came to life.

LLE STUDENTS PLANTING IN THE COURTYARD – JUNE 8

All the students had the opportunity to rake, dig or plant vegetables and flowers in the LLE courtyard garden. Mrs. Forma's class is excited to see how the plants they grew via hydroponics do in the garden.
