- 11/30 LLE Book Fair begins

November 17, 2022

American Education Week
This week at CRS and LLE, we celebrated American Education week. Each day of the week we had a special activity such as DEAR Day, Teacher Switch Day, Thank You Note Day, Food Drive Day, and Spirit Day. The staff and students had a blast engaging in these activities to support their education here in Demarest!

Halloween Celebrations

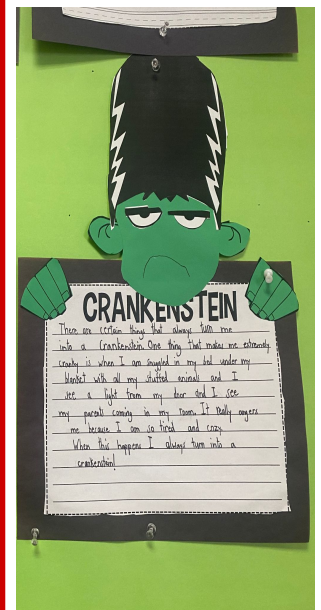

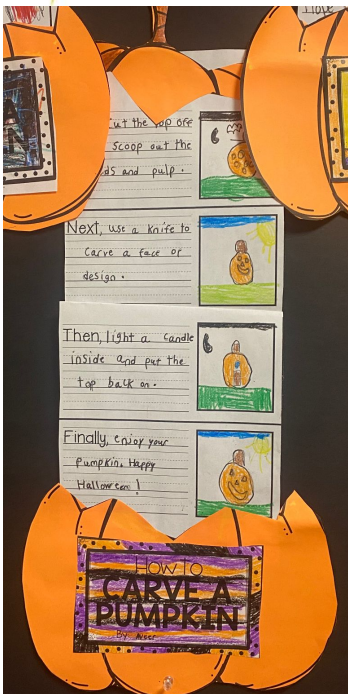

On October 31st, students at County Road and Luther Lee participated in Halloween celebrations at their respective schools. Students enjoyed a parade and class parties. Kindergarten and first grade did a great job at their sing-a-long!

Spotlight on Second Grade

Second grade students completed many fun Halloween activities such as a Crankenstein writing project and a How-To piece about carving a pumpkin. In social studies, students learned about suburban, urban and rural communities. In science, they learned about the states of matter. Looking ahead to Thanksgiving, students will be completing a turkey project with their families and a writing assignment about what they are thankful for. It will be exciting to see all of the wonderful work that our second graders will continue to do!

Art with Mrs. Stokes

The students at LLE Art Club are very busy creating murals for the upcoming Winter Concert. The murals will be used as set design for the LLE Winter Concert. Great job Mrs. Stokes and the 4th grade Art Club!

Message from the Principal

As you know these newsletters are sent out on a bi-weekly basis. Therefore, you will not receive one next week. On behalf of the staff at County Road and Luther Lee Emerson Schools we wanted to wish you all a very happy and healthy Thanksgiving. We feel truly grateful to be working in such a supportive school community.

All my best,

Mr. Mazzini
Principal
