### JUMP ROPE FOR HEART

Students at LLE on February 26 took part in Jump Rope for Heart. This fun and exciting event helped students learn about their heart, while helping others to raise money for the American Heart Association. The money goes toward research to better assist people with special hearts get the treatment they need. They raised \$4,894.00 dollars! Thank you to Mrs. Paspalas and Mr. Stokes for organizing such an important and fun event!

On March 5th LLE and CRS schools were visited by the Harlem Wizards. They spoke about their upcoming event at Northern Valley Regional High School at Demarest on March 24th in the South Gymnasium. Support your teachers that will play against the Harlem Wizards!

# Learning and Loving It!

Last week, CRS and LLE celebrated Read Across America Week by promoting literacy. On Monday, students at CRS had an author visit by Raakhee Mirchandani, and teachers at LLE read their favorite Dr. Seuss book to their students, and did corresponding activities with them. On Tuesday, students at both CRS and LLE were able to have D.E.A.R. (drop everything and read) time and eat a yummy breakfast! On Wednesday, LLE had author Gita Varadarajan visit. Students at CRS had various community readers read their favorite Dr. Seuss book. On Thursday, students at both schools were able to read in their pajamas with their favorite blanket or stuffed animal. Lastly, on Friday, students paraded in their crazy hats, and winners were picked in each grade level by a panel of judges. Congratulations to all of the winners, and thank you to the PTO for donating the generous Barnes and Noble gift cards for the winners.
