## American Education Week

During the week of November 18<sup>th</sup> students at both CRS and LLE celebrated American Education Week. On Monday the students were able to get cozy and read their favorite books during "DEAR" time. On Tuesday the teachers switched to teach different grade levels and classes. On Wednesday students brought in a Thank You note for teachers, teacher aides, counselors, secretaries, custodians, or any other staff member. On Thursday at both schools students brought in non perishable food for the Office of Concern Food Pantry in Englewood. On Friday students and staff were invited to wear Demarest Spirit Wear.

## Waterloo Village

The 4<sup>th</sup> Grade students took a field trip to Waterloo Village. The students learned about the Lenape Indians who inhabited that area over 400 years ago. The students were able to use tools and instruments colonial people and Lenape Indians used as well.
