"Shine" One School, One Book

The students at LLE had an assembly to introduce them to their "One School, One Book" initiative. The whole entire school will be reading the novel Shine by J.J. and Chris Grabenstein. The students are expected to read the book with their families, do the corresponding activities and hear the Mystery Readers read each chapter of the novel. To access the recordings, go to the Luther Lee Emerson School homepages and click on the One School, One book tab on the top right.

Lunar New Year

This year the Lunar New Year assembly was incredible! The students from both LLE and CRS participated in the assembly to show both schools traditions celebrated during the Lunar New Year. This year it is the year of the Rat. Some qualities the rat has are clever, successful, but content living a quiet and peaceful life. Recent years of the rat are 1924, 1936, 1948, 1960, 1972, 1984, 1996, 2008, 2020.
