## Happy 2021!

We made it to 2021! Now that we are in a new year, sometimes we set goals or resolutions for ourselves, and our students can also do the same! Some popular goals or resolutions for children are:

- I will clean up my toys by putting them away where they belong.
- I will try to save some time for reading.
- I will always wear a helmet when riding a bike, skateboard or scooter.
- I will help clear the table after dinner.

## WILDCAT SPIRIT!

Every Friday, LLE and CRS students and staff are able to show their spirit by wearing Demarest colors. Students wearing the colors **red**, black, and **white** in their class will be tallied every week. At the end of the month, the class that had the most spirit in each school will win a prize. Such a fun way to show off our Wildcat spirit!!

### Spotlight on Preschool

The preschool students have been very busy learning about winter in their thematic unit Winter Wonders. In this unit, the students discussed winter vocabulary like "hibernate" and "migrate." They also illustrated winter landscapes and made igloos for the letter I. The students also listened to the story Curiosity and The Snowy Day, in which they discussed how each snowflake is unique during a snowstorm.
