April 30th - May 3rd - LLE Math PARCC Testing

#### International Day Success!

On Saturday, March 17th, Demarest schools held its annual International Heritage Day. Check out these photos taken from the visited countries of India, Egypt, Turkey and Brazil. Thank you to all the parents and volunteers who helped make this event such a success.

## Pennies for Patients

County Road School is hosting their sixth annual "Pennies for Patients" drive. Since 1994, millions of dollars have been raised in pennies and other spare change by more than 10 million elementary, middle and high school students throughout the country to help fight Leukemia and Lymphoma. CRS families have contributed nearly \$5,000 in the past five years with just spare change found around the house! Your student's classroom will each hold a "Pennies for Patients" box for three weeks, (excluding spring break) March 26th-April 20th where students can bring in spare change. This fundraiser is completely optional!

## First Grade Play

On March 23, 2018 the first graders put on their play "It's A Hit." Thank you to Mrs. Mach for directing such a great show. Thank you also to Mrs. Stokes for the great scenery and artwork used throughout the show.

## American Heart Association WINNER!

Brody Turoff in Mrs. Appleblatt's class (pictured here with Mrs. Paspalas) was given a certificate for raising the most money for the American Heart Association Fundraiser!
