Children, adults, and even teachers had an amazing night for a great cause! Thank you Demarest PTO for all your hard work!

## Mark Gussen Visits LLE

Mark Gussen came to LLE on April 18th to teach third grade students all about ecology. Students learned all about how the different ways animals get their food and how they use camouflage to hide from predators. Thank you to Mark Gussen for the engaging activities!

## DMS Care Club

The Care Club from DMS came to CRS to read to the students two books and ask for comprehension questions. They talked about the book's central message, and played the game "Just Like Me." The students loved the visit!
