Second Grade Play at LLE

On April 20th, second grade students at LLE put on a terrific show! This year's theme was Oceans of Fun.

Students sang, acted, danced and even dressed up as characters that can be found in the ocean! Thank you Mrs. Mach for a beautiful production and thank you Mrs. Stokes for helping with the backdrop!

CRS Me and My Dance

Demarest PTO held their annual Me and My Dance at CRS on May 2nd. CRS students were able to attend the dance and bring mom, dad or a favorite adult to dance, eat and take a photo in the photo booth! Thank you again Demarest PTO for all your hard work!

Got Guacamole?!

On April 18th, third grade students participated in making a healthy guacamole recipe from the new health curriculum. Mrs. Paspalas helped students prep the ingredients for a delicious and healthy version of guacamole! It is a great incentive to help students think about what they are putting in their bodies and how they can be the healthiest they can be!

Earth Day

To celebrate Earth Day the students of CRS and LLE were asked to create a poster celebrating the Earth, and how to keep it healthy. This was done under the supervision and direction of Mrs. Stokes. The winners are: Max Entner (Kindergarten), Kailey Sunwoo (First Grade), Ava Arnofsky (Second Grade), Madison Choo (Third Grade), and Kevin Cheng (Fourth Grade). Thank you to Mrs. Stokes, and congratulations to all of the winners!
