HEALTH FAIR

CRS and LLE held their annual Health Fair. Students rotated from room to room to learn and participate in all different topics related to healthy lifestyles. Some of the activities included: Allergy Awareness, Yoga, Poison Patrol, Tae Kwon Do, Stress Management and Tennis. Students even got the chance to see an ambulance from Englewood Hospital and were taught strategies on what to do in case of an emergency. A special thanks to our Health Fair chairperson and presenters for devoting their time, expertise and resources to promote a healthy lifestyle for our students!

Planting at LLE Courtyard

On May 22, students helped make the courtyard look beautiful at LLE. Second, Third and Fourth grade students loved digging holes, planting seeds and watering the soil. We can't wait to watch all the plants grow and blossom!

FIELD DAY AT LLE

Students spent weeks practicing for each of the different Field Day events. It turned out to be a fun-filled day with amazing weather! Thank you Mr. Stokes for all your hard work putting together yet another successful field day at LLE.

Stay tuned for pictures from CRS's Field Day in our next newsletter!!
