LLE LIVE WAX MUSEUM

Fourth grade students at LLE held their annual Live Wax Museums on June 4th, 5th, 8th and 12th. Students worked tirelessly for weeks in order to prepare for the special event. They had to pick a famous person to research. Next, students were required to write and memorize a script which included major events and a timeline of each biography they researched. Visitors had to be sure to press the red button to bring the many famous people "to life" and to learn all about them!

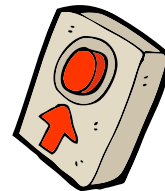

Thank you to the fourth grade team and students for putting on an amazing event! Everyone enjoyed all their hard work!
