LLE and CRS Winter Concerts

On December 6 at LLE the students participated in the Winter Concert. On Decemeber 13 at CRS the Kindergarten and First Grade students participated in the Winter Concert. Thank you to Mrs. Mach for amazing performances at both schools. We also thank Mrs. Stokes and the Art Club for the decorations for the concerts at both schools. Happy Holidays!

Polar Express

On December 10th Mrs. Konight transformed the LLE Library into a winter wonderland! There was a live reading of The Polar Express book written by Chris Van Allsburg. The children and their families enjoyed some hot cocoa, delicious snacks, and even a visit from Santa! Thank you Mrs. Konight and the rest of the staff for their hard work in making this event possible.

Dear Parents/Guardians,

First, I would like to thank all of you for your continued support for our schools. We are very proud of the many accomplishments that have been made to our programs and the growth that we have seen in our students.

Each year we look forward to seeing our programs grow as we are constantly working to improve upon our practice. Over the past few years we have seen the growth of the preschool program, growth of our SGI classes such as Basic Skills, Gifted and Talented and Reading Reinforcement. Additionally, we created a news casting program and STEM lessons for our third and fourth graders. Please check our website weekly for the updated news casting programs.

Now it is time for all within our school community to get ready for a restful holiday break. As the end of 2019 approaches, we at County Road and Luther Lee Emerson Schools would like to wish you all a very happy and healthy 2020 filled with happiness and excitement.

Best,

Mr. Mazzini
