February 14, 2020

## 100<sup>th</sup> Day of School!

On February 11<sup>th</sup> the First Grade students at CRS celebrated the 100<sup>th</sup> Day of School with a wide variety of activities. The students were encouraged to dress as if they were 100 years old. They counted 100 fruit loops and placed them on yarn to make necklaces. They also wrote from the perspective from an older person. They also wrote about what they would buy with 100 dollars. The students truly enjoyed the day and all the activities centered around the number 100. Thank you to the First Grade team for their creativity.

## Jump Rope for Heart

On February 11<sup>th</sup> the students at LLE were able to participate in Jump Rope for Heart. By participating the students were able to raise money for the American Heart Association. This challenge helps the children learn about the heart itself, and raise money for children with special hearts. Thank you to Mrs. Paspalas and Mr. Stokes for putting together a fun and rewarding event for our students.
