# NEWSLETTER

September 25, 2020

## Important Dates

- 9/28 NO SCHOOL Yom Kippur
- 10/1 CRS picture day
- 10/2 LLE picture day
- 10/14 No Homework Night

Throughout the 2020-2021 year there will be district wide No Homework Nights. The dates are: October 14th, December 3rd, March 16th, and May 26th. These are designed to make time for you and your children to spend quality family time together without having to worry about homework. Some fun ideas that you can do as family are:

- Game Night
- Movie Night
- Craft Night
- Dance Party
- Cook a meal together
- Read a story together
- Bake something together

Dear Families,

Your children have been simply amazing! We, the staff at CRS and LLE, are beyond proud of them for adapting to a new way of life in school. They are learning, interacting and socializing in a safe manner.

We have seen students working in pairs on Google meets while remaining at their desks or with those who are learning remotely. While in other classrooms, students who are in school have snack in front of the computer with those at home.

As you were already informed from the Superintendent's office, we will have Parent/Teacher conferences starting on Tuesday, November 3rd. Students will not have any instruction on that day. Please also note that we will be in school on Wednesday, December 2. The other two dates for conferences are on November 9th and 16th. Your child's teacher will be contacting you to set up a time to virtually meet.

Please continue to follow the rules and directions of those who are outside on supervision. Our staff who are on supervision are there to ensure the safety of the students. It is important to also help us keep the flow of traffic moving. Your child should have their mask already on before the car stops in the morning. Therefore, they can quickly exit thus allowing you to pull away quicker. Also, please remember to pull all the way up to the stop sign that is next to the curb when dropping off or picking up students. Finally, please note that at CRS the Demarest Police Department have changed the times that you can turn on Lake Street off of County Road.

I thank you all for your continued support and dedication to making this a wonderful year.

All my best,

Mr. Mazzini

## Spotlight on Preschool

Our preschoolers are off to a fantastic start this year! They have impressed us all with their resilience and ability to adapt to the new school year. To begin the year, the students explored the Curiosity Corner Curriculum thematic unit all about back to school. The students enjoyed classic stories including *Chicka Chicka Boom Boom*, *The Little Red Hen*, and *The Night Before Preschool*.

The preschool students also explored the thematic unit *Marvelous Me*. The students illustrated self-portraits and discovered what makes them unique! Additionally, the students began their exploration of the letter of the week and math concepts. We are looking forward to a wonderful year filled with learning and play in preschool!
