

# Learning *and* Loving It!

## The County Road and Luther Lee Emerson...

# NEWSLETTER

October 23, 2020

### Important Dates

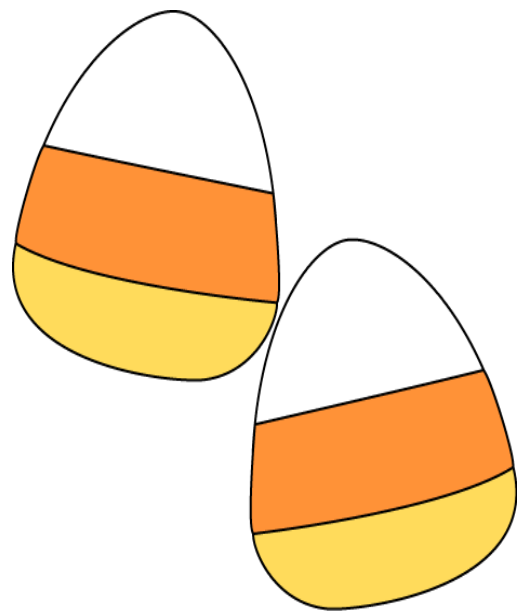

- 11/3 No School, Parent Conferences via Zoom
- 11/11 CRS Picture Day
- 11/12 LLE Picture Day
- 11/25 No virtual afternoon sessions
- 11/26-11/27 Thanksgiving recess

### Halloween Reminders

- On **Friday, October 30**, students are permitted to wear their costumes to school.
- Costumes should not include weapons of any kind, gruesome designs, or a costume mask.
- Students should continue to wear the facial coverings that they have worn since the school year started.
- Celebrations will take place in homeroom classes, but will not include any treats.

Have a safe and fun Halloween!

Dear Parents/Guardians,

It was wonderful welcoming our students back to the buildings on Monday. They exited the cars and lined up for their temperature checks as if we never left the building. Both staff and students were thrilled to be back in the classroom.

I would like to focus some attention on our students. From the first day of school they entered a completely different atmosphere. However, they did not let it deter them from the reason why they come to school each day, whether it be in-person or remotely. They know that they are here to learn and that it is a safe and nurturing environment. It is also important to note that the students have been wearing their masks without any issues. This even holds true for our little ones who are just 3 and 4 years old. We are all so proud of their accomplishments and adapting to an ever-changing world.

Our community needs to continue to be vigilant of how we practice social distancing and wearing our masks at all times. Let us all join together in keeping our community one that is safe for all who inhabit it.

Best,

Mr. Mazzini  
Principal

## Spotlight on First Grade

We have been busy in the First grade the past few weeks! Our classes have done a terrific job of learning about Christopher Columbus as a person of historical significance to our country. The students *read a biography* about Christopher Columbus. Next, they created their very own Christopher Columbus as they wrote three facts they learned about him to help improve their *Informational Writing* skills. Lastly, they illustrated a *class book* about the events of his life. Further, to highlight Fire Safety Week, our classes drew and mapped out an "Arthur Escape Plan" of our classrooms as well as discussed fire safety procedures in the event of a fire and made their own Fire Safety Booklets. The students will also be writing letters to the firefighters who work extremely hard to keep us safe.
