- 11/26-11/27 Thanksgiving Recess
- 12/3 No Homework Night
- 12/19-1/3 Winter Break
- 1/4 Return to School

### Halloween 2020

LLE and CRS had a wonderful time celebrating Halloween! At CRS students were able to participate in a Halloween sing-a-long with Mrs. Mach. They sang songs such as The Addams Family, Five Little Pumpkins, and Ghostbusters to name a few! At LLE the students did Halloween projects and also had a sing-a-long for students to dance and try to guess the name of songs like Monster Mash and Thriller.

## Trimesters

This year CRS and LLE schools will be reporting grades on a trimester basis, instead of a quarterly basis. The report cards will be available on **December 11th, March 26th, and June 22nd** on your realtime parent portal.

### *Spotlight on Second Grade*

This school year might look different but the 2<sup>nd</sup> grade team has worked hard to build a positive classroom community among the students in school and virtually! The masks may obstruct the germs, but not the giggles that still lovingly fill the 4 walls of each classroom. The separated desks and students on the computer screen do not push apart the classroom families that have been created.

The 2<sup>nd</sup> grade students didn't let the circumstances stop them from bringing the Halloween spirit either. Students still dressed up in their best Halloween costumes and looked forward to a spooky school day! Although class parents were not physically present for the parties, the students' faces still lit up when a class parent became the special guest and did a Halloween read aloud via Zoom for the entire class. During the read aloud, students ate a special Halloween snack that each parent generously provided for their child. The Halloween fun didn't stop there. The classes all continued their celebrations with special Halloween activities chosen by their teachers. October 30th wasn't just a regular school day. It was a spooktacular one!
