DMS Guest Readers

Starting on December 4th until December 17th students from Demarest Middle School read books to classes at LLE and CRS via Zoom. The students that read books are a part of the DMS Kare Club or DMS Student Council. Thank you so much for Mrs. Reynolds and Mrs. Spence for organizing this!

Spotlight on Fourth Grade

The 4th graders have been working hard in all of their classes and are making their teachers very proud. In Language Arts, the students have been engaged in their Mystery Unit! Each day, Mrs. Lefer and Ms. Chabora's classes would ask to read the next chapter of *Bunnicula*, by Deborah and James Howe. The 4th graders were thrilled when they finally found out the ending! Now, they are completing a Case Files project based off of the book. Each student is keeping a file that contains information about the detective, suspects, victims, and evidence of the crime in the story. In Writing, the 4th grade students used their creative minds to write their very own Mystery Narratives! Each student created a story that included all of the elements of a Mystery. They came up with a detective, sidekick, a mystery that needs to be solved, and clues. This past Wednesday, the students had the opportunity to read their stories, and their classmates had to guess the ending. The 4th graders had a lot of fun with this activity.
