## Spotlight on Fourth Grade

Fourth grade is currently focusing on the events of September 11, 2001. In reading, students are reading the book Eleven by Tom Rogers. It is a historical fiction book about 9/11. Additionally, the students went home and interviewed an adult about their experience on that day. Fourth graders are also beginning opinion writing. The students are brainstorming ideas for topics to write about such as: Should students receive homework? and Are beach vacations or lake vacations better?
