WE ARE FUTURE READY!

Congratulations to Demarest for receiving the designated Future Ready School certification. Future Ready Schools (FRS-NJ) is a certification program that provides New Jersey schools with the support and resources needed to promote digital learning. The certification recognizes schools for implementing effective digital learning policies and practices, and preparing students to succeed in the digital age.

The Rotary Club came to visit 3rd Graders at LLE to distribute dictionaries to the students. We thank them for their contribution!
