

## DMS STUDENT HANDBOOK

## Attendance

### **Emergency School Closings**

In the event of a severe storm or other emergency, information will be given through “Reverse 911,” email, text, and the district website.

In the case of inclement weather and no announcement that schools will be closed, parents/guardians are advised to use their own judgment as to whether their children should be sent to school or picked up from school before regular dismissal. It is our policy to keep schools open once the school day has started.

Whenever possible school will be open. To facilitate this, a “delayed opening policy” has been developed. School will begin at 10:00 a.m. and end at the regular time.

### **Virtual Learning Expectation**

In the event DMS chooses to engage in remote instruction the following expectations will be observed:

- All students should wear headphones for the duration of the video conference.
- All students should be in a public place of their home such as a living room or kitchen.
- Students should keep their microphones muted until called upon by the teacher.
- Students will indicate their desire to ask a question by clicking the button to raise their hand.
- Students will bring their best behavior to the virtual learning environment.
- All students must have their camera turned on during class. If a student is having a problem with their camera it must be immediately reported to Mr. Reynoso/Ms. Zimmerman.
- Sharing passwords, class codes, Zoom links with anyone inside or outside our school environment is considered a gross violation of our Acceptable Use Policy and will be met with school based consequences.

**A student must be in attendance for 160 or more school days in order to be considered to have successfully completed the instructional program requirements of the grade/course to which he/she is assigned.**

Parents/guardians are responsible for notifying the school early in the day when a child will be absent and for informing the school of the reason for the absence.

### **Absences:**

A. In order for administrators to be certain that parents are aware of their children's attendance and to provide greater assurance that children arrive at school safely, the parent/guardian must notify the school no later than 8:30 a.m. that the pupil will be absent that day. Such notification must take place each day the pupil is absent from school. Parents should call (201)-768-6060

B. The parent/guardian must provide a written excuse clearly stating the reason for the absence when the student returns to school.

C. If a pupil is absent for three consecutive days or more, the parent/guardian must provide a written note from a doctor clearly stating the reason for the absence.

D. If a student arrives at school after 10:30 a.m., the student is considered absent for the morning. If a student leaves before 1:30 p.m., the student will be considered absent for the afternoon.

The board considers the following as causes for an excused absence:

- Required court attendance
- Death in the family
- Illness or accident
- Religious observance
- Such good cause as may be acceptable to the principal.

If your child will be absent for several days, please inform the school office so that appropriate arrangements may be made.

If the absence will be for several weeks because of a disability, home instruction can be arranged. It is necessary that the attending physicians and the school medical inspector certify that the child cannot attend school to establish home instruction eligibility.

Parents are advised that the decision to remove children from school because of vacations or trips may have adverse consequences on the child's instructional progress. If an extended absence cannot be avoided, parents are expected to notify the building administrator at least two weeks prior to the anticipated absence.

If a student misses school because he/she is on vacation, work will be given upon his/her return. Under no circumstances will work be provided beforehand for a vacation.

Good attendance is critical in order to succeed in school. It is the student's responsibility to be present and on time to homeroom and each of his or her classes.

***Students arriving in homeroom after 8:20 are marked tardy. Each homeroom teacher has the right to give detention for students arriving after homeroom begins at 8:20. All tardy students arriving at school after the homeroom period (8:20 - 8:26) must report directly to the main office and sign in. These students then report to their lockers to pick up books for class.***

The following procedure shall be used in those instances where disciplinary action is required in dealing with student tardiness, if the student arrives **after 8:26**:

- Three tardies in a marking period will result in a warning to the student.
- If there is a fourth tardy, the student will be given a detention, and a letter will notify the parent/guardian.
- A fifth tardy will result in an additional detention.

- If tardiness continues, a possible school suspension or loss of privilege may be issued.
- In addition, students will be ineligible to go on school trips.

#### **Attendance and School Activities**

In order to participate in, or be a spectator at any co-curricular athletic or social event (dances, plays, concerts, etc.) the student shall be in attendance on the day of such an activity. Students will be considered absent from school if they sign in to school after 12:00 p.m. or if they sign out of school before 12:00 p.m. and do not return. Participation is subject to the discretion of the building administration. The decision for participation in any such event must be made by the end of the school day, not at the event in question.

#### **Late Arrival and Early Dismissal**

It is understood that from time to time certain circumstances will require that a student be late to school or dismissed before the end of the day. Parents/guardians are to notify the school in advance of such absences by written request, which shall state the reason for tardiness or early dismissal. Justifiable reasons may include:

- Medical or dental appointments which cannot be scheduled outside of school hours
- Medical disability
- Family emergency
- Court appearance

Parents are advised to make every effort to schedule medical or dental appointments at times other than school hours.

No student shall be permitted to leave the school before the close of the day unless he/she is met at the front door by his/her parent/guardian or a person authorized by the parent/guardian to act on his/her behalf. To pick up your child you must come to the front door, ring the bell and present your face to the camera.

## **Student Behavior**

### **Student Responsibilities**

The Demarest Middle School believes that it is essential to help students realize that their own attitudes and acts are directly related to their school experiences and that of their classmates.

Safety is a constitutional right. Students, teachers, school staff, and parents need to work together to see that these rights are maintained and obeyed by everyone in our school district. Video cameras are present throughout the building for the safety and wellbeing of all students. Video recordings can be reviewed for disciplinary incidents and/or investigations.

Demarest Middle School's students' rights and responsibilities are as follows:

### **Student Rights**

Students have the right to:

- a free public education
- equal protection under school policies and regulations

- obey school policies and procedures and the school authorities who enforce them
- respect one another
- observe the district acceptable use policy for technology
- treat school property and the property of others with respect
- act in a way that does not interfere with rights of others and is not harmful to the health and safety of others
- Understand that the student is responsible for his/her own property. The school does not assume responsibility for lost, stolen, or damaged property, including but not limited

to laptops, tablet computers, cell phones, iPods, iPads, earphones/earbuds, or any other electronic device students bring into the school building.

- Enter and exit the building through assigned exits only.

**Students will not:**

- disturb any class or person within the school by being disrespectful, or by refusing to obey any staff member or substitute, or otherwise being insubordinate

- sell any items on school grounds
- Inappropriate and/or unwanted touching of another student

### **Consequences:**

Students need to accept responsibility for their behavior. Professional judgment will determine when to move from level to level. Consequences will generally include, but are not limited to:

### **Level One – The Teacher**

1. Formal detention(s) with the teacher in an effort to change the behavior and to problem-solve;
2. Communication with parents via telephone, e-mail and/or conference.

Parents will receive 24 hours' notice of the date and time of a detention that has been issued to their child. Failure of the student to report for a detention will result in further disciplinary action.

### **Level Two – The Guidance Counselor**

A guidance-oriented approach could be utilized to reinforce teacher measures and examine the causes of behavior.

### **Level Three – The Administration**

If a student fails to respond to the teacher's authority and/or counseling, the following will tend to occur: (Not necessarily in this sequence.)

Cumulative detentions and/or suspensions which will result in exclusion from one or more of the following:

- Lunchroom/recess privileges
- Extra-curricular activities
- Field Trips
- End-of-the-year activities.

It is expected that each student will accept the responsibilities included in the Demarest Middle School "Code of Conduct." The following disciplinary action(s) have been established and may be used as needed:

- Verbal warning
- Detention
- Conference with guidance counselor
- Parent/teacher conference
- Referral to principal
- Exclusion from extracurricular activities/class trips
- School suspension
- In School suspension
- Expulsion

**All disciplinary action taken against any student is done in accordance with NJ State Law under the N.J.S.A. Title 18A, as well as, district policy.**

**Disciplinary action against a student is not subject to negotiation by parents.**

### **Discipline Policy/Point System**

Positive behavior and kindness are encouraged in all of our students at all times. However, misbehavior and/or violations of the discipline code will result in a "point" issued by the principal. The following chart details potential violations as well as their point equivalency:

Repeated Dress Code Violations (3+)	2 points
Cheating	3 points
Each Day of Detention	3 points
Fighting/Physical Contact	5 points
Suspension and In School Suspension	6 points

If a student accumulates a certain amount of points, the following consequences will occur:

10 points or more	Loss of lunch/recess privileges
15 points or more	Loss of field trips, school-wide events, overnight trips

Points will be accumulated via Realtime and will be available to view at all times through the Parent Portal and/or Student Portal. Each year, students will begin the school year with zero points

### Student Dress

The basic responsibility for the appearance of the student rests with the parents. Students are, however, expected to attend school dressed for the business of learning. It is expected that students dress in good taste considering the age, weather, community norms, the need for safety, and the need to take the process of education seriously. Traditional standards for good taste and modesty are expected.

Students should not wear to school:

- Hats, bandanas and scarves once inside the building

Students who destroy or vandalize school property will be required to pay for losses or damages. If students willfully destroy school property, suspension and subsequent expulsion may be necessary. All accidental damages should be reported to a teacher or office immediately.

### **Rules and Regulations for Physical Education**

1. Sneakers and appropriate athletic wear are required. Sneakers (not hiking shoes) should be laced up and tied properly for reasons of safety.
2. Students are responsible for following the directions of the teacher in order to ensure the safety of all students
3. Students must conduct themselves with appropriate sportsmanship and kindness to their peers during all athletic endeavors.
4. In order to be excused from taking part in physical education class, a note from a parent will be acceptable. If more than one class will be missed, a doctor's note is required.
5. Gum and/or candy chewing is not permitted.

### **School Suspension (File Code 5610-Board Policy)**

While the school administrator believes positive approaches to acceptable behavior are usually more effective, it is sometimes necessary to penalize pupils for violations of school regulations to ensure the good order of the school and to teach pupils the consequence of disruptive behavior.

Pupils who indulge in disruptive behavior in school or at school-related activities and locales may be

suspended or expelled. Disruptive behavior includes, but is not limited to:

- Continued and willful disobedience;
- Open defiance of the authority of any teacher or person having authority over a pupil;
- Actions that constitute a continuing danger to the physical well-being of other pupils;
- Physical assault upon another pupil, teacher, or any school employee with or without a firearm or other weapon;
- Taking, or attempting to take, personal property or money from another pupil whether by force or fear;
- Willfully causing, or attempting to cause, substantial damage to school property;
- Taking part in any unauthorized occupancy of a district facility and refusing to leave promptly when directed to do so by a person in authority;
- Inciting others to take part in an unauthorized occupancy;
- Inciting other pupils to truancy;
- Truancy and class cutting; leaving school property without permission;
- Use of any tobacco product on school property;
- Use, possession or sale of a controlled dangerous substance, drug paraphernalia, anabolic steroids or alcohol;
- Use of profanity, obscenity or abusive language;
- Turning in a false alarm; [this includes fire alarms, and the lockdown alert system]
- Tampering with or damaging property of other pupils or staff members;
- Selling or buying lottery tickets or any other gambling paraphernalia on school property.
- Theft
- Vandalism of property owned by the school, staff or other pupils.

Any pupil who commits an assault (as defined by N.J.S.A. 2C:12-1) with or without a weapon upon a board member, teacher, administrator or other employee of the board of education shall be suspended from school immediately according to procedural due process, and suspension/expulsion proceedings shall begin no later than 30 calendar days from the date of the pupil's suspension.

Any person who is convicted or adjudicated delinquent for possession of a firearm or crime while

armed with a firearm or found knowingly in possession of a firearm on any school property or on a school bus or at school-sponsored function shall be immediately removed from the school's regular education program for a period of not less than one calendar year.

### **In-school Suspension**

ISS may at times be provided as a consequence in lieu of suspension at the discretion of the Principal

### **General**

Students may also receive out of school suspension for disruptive behavior. Every pupil will be given a written warning form of a disciplinary notice that subsequent violation of school regulations may result in his/her exclusion or suspension.

Pupils under suspension are prohibited from participating in or attending any school-regulated activity during the period of suspension. They may not enter the school buildings or grounds of the district without the permission of the chief school administrator.

Any pupil under suspension who enters the school buildings or grounds without the permission of the chief administrator may have the period of his/her suspension extended. Serious violations of school regulations that create a dangerous or unsafe condition for other pupils shall cause a pupil to be suspended upon the first offense.

Pupils who are under suspension will be required to make up all assignments missed during the period of their suspension and will be given adequate opportunity to make up this work. Upon readmission, failure to complete the makeup assignments will result in a meeting with the parents/guardians.

### **Student Eligibility for Eighth Grade Activities**

Eligibility for participation in 8th grade activities (Washington, D.C. Trip, Graduation, Dinner Dance, Field Trips, etc.) will be determined by student adherence to the school policies and rules. A student may be subject to removal from participation in 8th grade activities, inclusive of graduation exercises, if behavior and conduct is not in compliance with school policies. **Additionally, excessive tardiness**

**and/or unexcused absences will prevent a student from attending these types of activities.**

### **1:1 Laptop Initiative**

At Demarest Middle School District each student will be given a school-issued laptop, in order to enhance learning in and out of the classroom by utilizing the Internet and various applications. Our goal is to enhance student achievement and engagement in school as 21st century skills are built. The computers will be issued to each student for the entire school year, but they will remain property of the Demarest Board of Education. Students are expected to adhere to the rules and guidelines in our Acceptable Use Policy while using their school-issued computers. The following is a "top ten list" of student guidelines.

1. Students must properly take care of their computers and must not deface the covers in any way. Students must also leave their name tags in place in their original condition and not put anything else on the inside cover. **Students should not put stickers or images anywhere on the laptop.**
2. The school can inspect and/or confiscate laptops if there is suspicion of wrongdoing. The same is true of students' Google Drive account.
3. Students can only use laptops when allowed by teachers. Teachers have the right to close a student's device if they perceive it has become a distraction to learning. Students must not touch the laptop of another student without permission.
4. Students must not take pictures or videos of others without consent, and must not use social media or a private email address while on school grounds.
5. Students must only use the school Internet connection during school hours. Students are to remain logged into their Google accounts. Students are not to use a separate Google ID on their school issued device. **Virtual private networks are strictly prohibited.**
6. Students must allow the district to download all the software necessary to fulfill the purposes of the laptops

7. The school is not responsible for damage to devices brought from home. Accidents and missing laptops must be reported within one day.
8. E-mail and Google Docs are not to be used for off task behavior.
9. Students must not share passwords and are not allowed to erase their browser history.
10. The computers must not be used for inappropriate behavior or HIB. Students must practice proper Internet safety. All HIB will be dealt with in accordance with school policy and state laws.

Violation of these rules will lead to confiscation of student devices, detention and/or other school based consequences. Further clarification of these 10 rules and a description of the program is available on the District Page under the tab 1:1 Initiative. Student devices and communication are monitored using our Google Suite of products and Go Guardian software.

Furthermore, all students are advised to bring in ear buds or low-cost headphones. Students are strongly advised not to bring in expensive headphones. Missing expensive headphones, such as “Beats by Dre”, “Airpods” or the like, will not be investigated and the school is not responsible for the missing property. Headphones are only to be used under the direction of a teacher and are not to be worn in the hallways.

### Academics

#### **Grading**

Student grades are a reflection of their academic achievement. The grade reflects the student’s daily work, homework assignments, test and quiz grades, classroom participation, and any projects, which are assigned.

The following marking code is used to describe and report the achievement level of students based upon the following symbols and descriptions:

- |                  |             |            |
|------------------|-------------|------------|
| A (94-100)       | A - (90-93) |            |
| B+ (87-89)       | B (84-86)   | B- (80-83) |
| C+ (77-79)       | C (74-76)   | C- (70-73) |
| D (65-69)        |             |            |
| F (64 and below) |             |            |

Each marking period, students are identified for placement on the Honor Roll. The following criteria issued:

- High Honor Roll: All A’s in every subject area
- Honor Roll: A minimum of four A’s (at least three in the basic academic areas-math, language arts, social studies, science, or reading) and no grade lower than a B-.

#### **Student Progress Reporting**

Report cards are issued four (4) times annually for grades 5-8. Grades are posted on a continual basis for all students through our parent portal. Please review the school calendar for such important dates as report card distribution, parent-teacher conferences and Back-to-School Night. It is important that parents feel free to request conferences with teachers whenever warranted. Conferences are scheduled in the fall and on an as needed basis in February. The progress of a child in school is the mutual responsibility of the home and the school. Both must be ready and willing to work together to insure the best possible instructional program for the child.

**Promotion/Graduation Requirements** Prior to a recommendation for promotion or graduation, each child’s performance will be reviewed by the staff to assure satisfactory completion of course requirements. Pupils are required to be present 160 days except for medical reasons and/or extenuating circumstances.

The Demarest Board of Education has established eighth grade promotion requirements in the areas of required subjects, academic testing and attendance. Criteria have also been established for students with limited English proficiency. Copies of applicable policies are available in the school office.

Graduation diplomas will be awarded to eighth grade students who have successfully completed the instructional program appropriate to the achievement of the district’s goals and objectives and who have achieved minimum levels of proficiency in basic communication and computational skills.

## Homework

Homework assignments are determined by an individual teacher's judgment, which takes into consideration the variables of student age and ability, the pertinent subject area, and the purpose of a specific assignment. The majority of assignments are posted on teacher's websites and/or Powerschool.

The following guidelines are used in determining homework assignments for Demarest students:

1. As the student matures and advances to higher grade levels, it is expected that total homework time per week will increase. In addition, the complexity of assignments, as well as the time span needed to complete individual assignments, may increase.
2. Students who are excused to take part in field trips, concerts, competitions, or any other school-sponsored activity must make arrangements with the teachers of the missed classes to make up the work.
3. Work brought home may also include unfinished homework and unfinished class work. **Students are expected to be present at school unless legitimate reasons such as illness or family emergencies warrant absence. Extended absences result in loss of instructional time and disrupt the continuity of the student's educational program. The school will not be responsible for make-up work or class time missed for reasons other than legitimate absence.**

## Makeup Work

Students will have a specific amount of time to makeup work or assessments they have missed from being absent or missing class due to field trips, etc. This time will be proportionate to the amount of time missed. For example, if a student is absent for two days, they will have two days to make up the work and complete any assessments/projects they may have missed. Please be sure to check all teachers' websites for daily updates and changes.

Students are encouraged to directly contact each classroom teacher to create a schedule for completion of tests, projects, missed work, etc. This policy

allows students to remain up to date with the fast paced curriculum and complete missing work in a timely fashion.

## Demarest Middle School Citation Policy

When requested by the teacher, students are required to create an MLA works cited for all research related work including print and electronic materials (this includes images such as maps, illustrations, charts, etc.). Plagiarism or inappropriately taking credit for another's work will result in the student redoing the assignment. Potential consequences include detention and reduction in the student's grade.

## Textbooks

All basic textbooks are loaned to students for their use during the school year. All other personal supplies are paid for by the student. Textbooks are to be kept clean and handled carefully. Please be sure your child's name, grade and school are written on the book label in case the book is misplaced. Parents/guardians will be required to pay for lost or damaged books.

## Academic Standards for Participation in Co-Curricular Activities

It shall be the policy of the Demarest School District to establish scholastic thresholds, which will encourage participation in co-curricular activities with the student's best realization in the academic program. The academic standards for participation of middle school students in co-curricular activities are as follows:

1. During the first marking period, all students will be eligible.
2. For the second through fourth marking periods, all students are eligible who successfully pass all major subject areas (Language Arts, Science, Social Studies, Mathematics, and Foreign Language for the previous marking period).

If a student is determined to be ineligible based upon the above standards, he or she shall be excluded from co-curricular activities for the entire ensuing marking period. Co-curricular activities include, but are not limited to, interscholastic and intramural sports, student council, yearbook, and dramatic and musical productions.

### **Guidance Services**

Demarest Middle School provides a guidance counselor to work closely with students, parents and teachers to facilitate academic, social and emotional growth throughout the students' years at the school. Students and parents may forward their concerns to the guidance counselor. Their phone number is 201-768-6060 X53215.

### **Procedures for Processing Concerns**

When parents or students have a concern, they should follow the "Chain of Command" in order to clarify the concern as soon as possible.

1. Begin by expressing your concern to the teacher. Discuss the issue with the teacher. Direct and informal communication should generally be your first step.
2. If the matter is unresolved, speak with the Guidance Counselor, who will conduct a problem-solving meeting between you and the teacher.
3. If still unresolved, you may appeal to the Principal, who will conduct a conflict resolution meeting with the parties involved.
4. If you believe that your situation has not been resolved, your appeal process will be presented to you, which could involve formal communication with the Board of Education.

Our goal is to resolve misunderstandings as close to their source as possible. Our procedure is designed to problem-solve conflicts.

### **Chain-of-Communication**

Contact the Teacher

Contact the Guidance Counselor

Contact the Principal

Contact the Superintendent

### **Field Trips**

It is policy to take students on field trips only with permission from parents/guardians and only if children can exercise the needed decorum and self-control so important on an educational field trip. When a trip is being planned, permission slips will be sent home for approval of parents/guardians. In the event of a breach of our code of conduct the principal may elect to send a student home early from the trip.

### **Extra-Curricular Activities for Grades 5-8**

The following activities may be offered for student participation:

- Basketball Team (6-8)
- Volleyball Team (6-8)
- DMS Math Team
- K.A.R.E. Club
- Music-Choral
- Music-Instrumental
- Soccer Team (6-8)
- Spring Track Team (6-8)
- Student Council\*

\*In order to run for a student council officer position in 8th grade, a student must have participated in student council for a minimum of one year during Grade 5, 6, or 7.

\*In order to participate in sports all medical forms must be handed in to the nurse well ahead of tryouts. The school physician must approve a child to participate in advance of tryouts.

### **Lunch**

The Demarest Middle School Lunch Program is available to all students on a voluntary basis. Students will remain on the middle school campus during lunch and recess. In order to best ensure the safety of the students and staff, students are not allowed to order lunch from an outside delivery service. Students are not allowed to have glass bottles. Students are not allowed to distribute food in the cafeteria. The cafeteria facilitates purchases through select vendors.

At the conclusion of the lunch period, students will assemble on the basketball courts and will enter the building through the side door

If your child forgets his/her lunch, they will be permitted to borrow from the cafeteria.

Microwaves are available for student use in the cafeteria.

## School Procedures

### **Fire Drills/Practice**

N.J. State Law requires schools to hold one fire drill per month and one school security drill per month. The following basic rules should be followed:

1. Absolutely no talking.
2. When required, students will leave the building in a single line led by the teacher.

Two emergency signals may be given:

1. Regular fire alarm
2. Verbal alarm.

### **Lockdown, Evacuation, and Shelter in Place**

This is an administrative decision where special instructions are directed to all staff for the ultimate safety of everyone in the school.

Procedures are in place if such a decision is put into action. Students are expected to remain silent during a lockdown or evacuation and follow the directions of the classroom teacher. During a “shelter in place” students will continue instruction but will not be permitted to leave the classroom. Consequences will be rendered for those who do not follow directions.

### **Emergency and Crisis Management Plan (ECMP)**

As required by the N.J. State code, a plan has been developed for the Middle School to respond to a variety of emergencies and crises. In addition to two fire drills a month, students will be trained and practice in school evacuation and lockdown procedures throughout the school year.

### Locker Regulations

Lockers are provided for all students. Lockers are school property and are provided on a loan basis for use during the school year. The care and condition of the locker will be the total responsibility of the student.
