

Due to the successful opening of Demarest Early Learners (DEL) and tremendous parental interest, the District has decided to open an additional section for the 2016-2017 school year. Applications for enrollment into this tuition based preschool program are now being accepted. Registration is available to all 3 and 4 year old students, including non-residents. Openings are also available on your child's third birthday during this school year.

Full day preschool classes are conducted, five days a week. The hours of the program are 8:45 am to 2:30 pm with supervision before and after school at no additional cost. This integrated preschool program, for ages three and four, incorporates the education of general education children with that of special education children, offering a high quality early childhood experience. Special education children, who are Demarest residents, are selected and placed in the program through an evaluation process in accordance with NJ 6A:14, which is performed by members of the district's Child Study Team. In addition, we are accepting out of district students who may be eligible for the program.

The Demarest Public School reserves the right to modify the typical peer program as needed. A complete application must be submitted directly to Kathy Daly, County Road School, 130 County Road, Demarest, NJ 07627. A birth certificate, copy of immunizations and health records, and driver's license are considered part of the application and will be required of those students admitted into the program. Please visit our website at <http://demarestsd.schoolwires.net>, for a complete list of documents required and all forms needed. To be eligible, children must be either 3 or 4 years of age. Children are expected to be toilet trained, since this essential skill promotes independence in all children.

Contact Kathy Daly at [201-768-6060](tel:201-768-6060) X 51535 for further information.
