Demarest Early Learners 3 Year Old Program

January 25, 2017

Demarest Early Learners Still Accepting Applications for Three Year Olds

The Demarest Early Learners (DEL) registration for preschool Fall 2017-2018 is still accepting applications for enrollment into this tuition based integrated preschool program. The availability remaining is for full day, 3 year old students, including non-residents. Please call Kathy Daly, County Road School secretary to schedule a registration appointment at 201-768-6060 X 51535.

Preschool class for 3 year olds will be conducted for a full day, five days a week, from 8:20 – 2:30 p.m. This integrated program incorporates the education of general education children with that of special education children, offering a quality early childhood experience. Special education children are selected and placed in the program through an evaluation process in accordance with NJ 6A:14, which is performed by members of the district's Child Study Team.

All applications are accepted on a first come/first serve basis and will be time stamped. A birth certificate, copy of immunizations and health records, and driver's license are considered part of the application and will be required of those students admitted into the program. Please visit our website at <http://demarestsd.schoolwires.net> , for a complete list of documents required and all forms needed. The application will not be accepted if one of the documents is missing or incomplete. Children are expected to be toilet trained, since this essential skill promotes independence in all children.
