6th Grade Visits Franklin Mineral Mine Museum

On October 25th, DMS 6th graders visited the Franklin Mineral Mine Museum in Franklin, New Jersey. The children were able to collect minerals, learn about mining, and view one of the largest mineral collections in the U.S. This collection highlights the fluorescent minerals that are unique to New Jersey. The students were also able to view some Native American artifacts and a large fossil collection hosted by the museum.

Math Team Excels at Competition

The DMS Math team, Math π rates, participated in the iLearn Math Contest held at Princeton University on October 28th. Eight team members took part in the competition. Sachin Kirtane, Daniel Kim, Andrew Kwak, and Daniel Sung won 2nd place in team competition.

Halloween at DMS

On October 31st the DMS students celebrated Halloween with our annual Halloween costume contest. Students showed off their creativity, originality, and enjoyment of the holiday.

5th Grade Trip

5th graders visited High Exposure on October 27th, and took part in team building activities and competition. The High Exposure staff took the students through their S.O.A.R. Curriculum.

S–Success in trying,
O–Overcome fear,
A–Advance beyond doubt,
R–Recognize the power of doing.
Students laughed, worked together, and faced their fears while building self-esteem and confidence as individuals and as a group.

KARE Club Fundraisers

The DMS KARE Club held two events to raise money for hurricane relief, a bake sale at DMS, and a lemonade stand at LLE. All proceeds from these two events are being donated to the Red Cross for hurricane relief.
