## WEEK OF

# R E S P E C T

Last week was "Week of Respect"! Here are some photos to show how LLE and CRS celebrated being an Up-Stander!

## MOVEMENT BREAKS

The annual Wellness Initiative has begun this week. It is a great time to stop for a few minutes throughout the day in order to move our bodies and help student's reset their brains. During the week, announcements will be made daily that say "It's Wellness Drill Time: A Time to Move Our Bodies to Help Our Brains." This will signal to teachers to begin movement breaks.

## SENSORY WALK

At CRS we are lucky enough to have an awesome sensory walk for when students need a movement break. It includes bear crawls, push ups, hop scotch, and so much more! Thank you so much to Kim Aiello and the rest of the Child Study Team for putting this together for our students.
