UPDATED

September 24, 2018

Dear LLE Parents:

Due to the forecast of thunderstorms we will postpone the Evacuation Drill to the **morning of Wednesday, October 3**, in conjunction with the Demarest Police Department. If the weather is not conducive for this event, it will again be postponed until another school day. Please send your child to school with clothing appropriate for walking outside, considering the right type of shoes and jacket or sweatshirt.

This drill is mandated by state and district policy and is also a good practice for students and staff should an emergency occur. If you have any questions or health concerns, please email your child's classroom teacher or school nurse. Students will return to school in time for the regular lunch period.

Thank you for your cooperation.

Sincerely,

Frank J. Mazzini
