Washington D.C Trip

Between May 21st and May 23rd, our eighth grade class visited the city of Washington D.C. Students had the opportunity to experience the museums, monuments, and to take a tour of Congress. This is an enriching event and the culminating trip for our eighth grade class.

Spring Concert

On May 16th, the school community was treated to outstanding concerts during and after school. Our student musicians performed in a host of groups including concert band, jazz band, chorus ensemble. The

rock band, and ukulele groups performed popular tunes such as *Black Bird* by the Beatles, *Somewhere Over the Rainbow*, and theme music from popular movies.

Congratulations to our performers and music teachers.

Fourth Grade Visit

On May 15th, fourth graders from Luther Lee Emerson visited DMS to hear elements of our musical program. This is the first of our transition activities as learners will visit again in June for a formal tour followed by a parent orientation, and a fun scavenger hunt in August.

Philadelphia Trip

On May 28th, our seventh grade students visited the city of Philadelphia to explore its historical roots. All learners went to the museum of the American Revolution, the Liberty Bell, and the National Constitution Center. This trip corresponds to our Social Studies curriculum as learners engage in early American history during seventh grade.

Health Fair

On May 14th, eighth grade students put on a formal health fair for the remainder of the student body. Each student group became an expert in a life long healthy activity such as jogging, yoga, hiking, cycling, aerobics or creative expression.
