Science Olympiad

On January 15th, the DMS Science and Engineering team competed in a regional level event at Union County College. Our students engaged in events including constructing "battery buggies" and designing weight bearing structures. Our students also took tests on vehicular congestion and maps and or studied disease outbreaks. Our team placed seventh overall and will advance to a state level competition.

Band Field Trip

On January 3rd, our concert band had the opportunity to visit Northern Valley Demarest. All band members had the opportunity to play a piece with the high school band and band members from Closter and Haworth.

Geography Bee

During the month of January, all students in DMS participated in a school wide geography bee sponsored by National Geographic. The event culminated in a final contest on January 18th between one fifth grader, one sixth grader, four seventh graders, and four eighth graders.

Book Fair

On January 23rd and 24th, our PTO led a Book Fair at DMS. All students had the opportunity to shop and select books with their language arts teacher.

Prosecutor's Office

On January 4th, the Bergen County Prosecutors Office visited DMS seventh graders. Students learned about the dangers associated with substance abuse, peer pressure, and refusal techniques.
