FOR IMMEDIATE RELEASE

BCUA Environmental Awareness Challenge Grant to Demarest Schools

October 12, 2018

BCUA Environmental Awareness Challenge Grant

On October 12, 2018 at Bergen Community College, Luther Lee Emerson School (LLE) and County Road School (CRS) from Demarest School District were awarded the Bergen County Utilities Authority (BCUA) Environmental Awareness Challenge Grant for the third year. CRS plans to create a solid recycling program with bins in all of the classrooms and cafeteria. In addition, books will be purchased to lead lessons on recycling so the students understand the purpose behind their project. At LLE school, grant money received from the Bergen Utilities Authority will help to purchase reusable canvas bags and water bottles for their students. These items will be distributed to the students as a part of their Recycling Club initiative.
