Dear Parents/Guardians:

I hope this letter finds you well. Please know that work has been planned for Luther Lee Emerson School. The Gymnasium roof will be repaired over a 3 day period weather permitting. They are scheduled to begin on Thursday, October 18. Physical Education classes will continue, however they will not utilize the gymnasium.

We want to make you aware that the work will be done on the roof, and vehicles may be parked on the LLE property. Be mindful when dropping off and picking up your children. Staff as always will be outside to supervise arrival and dismissal.

I thank you for understanding and assisting us regarding the safety of your children.

Sincerely,
Mr. Frank J. Mazzini
Principal
