Dear Parents and Guardians

I hope you are enjoying the cool fall weather. On September 21st, Superintendent Mr. Fox sent a letter stating that we are preparing to begin an exciting construction project at Demarest Middle School.

I am happy to report that today the construction has begun and our project is finally moving toward fruition. All areas have been secured to keep our children and staff safe.

This is an exciting project that will yield wonderful benefits for our school community. Ultimately this process will lead to the creation of a new drama and performing arts center. In addition, this will create dedicated space for our world language & health classes. Lastly, air conditioning will be added to our gymnasium.

Please feel free to reach out to me should you have any questions or concerns.
