Chorus Trip to NVD

The DMS Chorus took a field trip to NVD on Friday, November 2nd. While there, they rehearsed with other choirs from Closter, Haworth, and the high school. Students learned about the opportunities the music department at NVD has available. Lastly, they had a mini concert for parents. Students had a great day and really enjoyed working with the high school chorus director. On another note, band students will be having a similar day in January.

Math Team

On Saturday, November 3rd, members of the DMS Math Team participated in the middle school iLearn Math Contest at Princeton University. Our students represented their school with a passion for mathematics and academic integrity.

Volleyball Finals

On Tuesday, November 6th, the DMS volleyball team competed in the Northern Valley Finals. Congratulations to our team and Ms. McBride on the conclusion of an awesome season.

Valley Interdisciplinary Approach (VIA) Convocation 2018 - 2019

D.M.S. hosted the VIA Convocation this year, challenging 200 Gifted and Talented students from around the Northern Valley to construct a Sphero Robot propelled vehicle that could safely transport an egg during three highly competitive races. Points were awarded to the teams for 1st, 2nd, and 3rd place and the condition of the egg at the end of the races. The competition celebrates team problem solving and engineering skills.

Musical Auditions

Musical auditions are this week for *High School Musical Jr.* Many students came out for the informational meeting and seem to be very excited about this year's musical. Performances are scheduled for Friday, February 8th, and Saturday, February 9th.
