

Walk to School Wednesdays

Tomorrow is Walk to School Wednesday! Last month the Demarest Community came together with 350+ children walking to school. Let's keep the momentum going!

Tell your children to put their name in the jar at school each time they walk or bike, TO or FROM school on Wednesday for a chance to win great prizes!

The winners for November were CRS: Jensen Yi, LLE: Eliana Khawaja and DMS: Angela Seo.

They will all receive personalized stainless steel water bottles! Our sponsor for December is FRITZ DEITL ICE SKATING RINK. Each winner will receive an ice skating session and ice skate rental! One winner is chosen from each school. So remind your kids to walk to school for a chance to win!

Walking to school is great exercise, improves school focus, builds community, plus reduces carbon emissions and traffic congestion. Join up with your friends along the way and create your very own 'Walking School Bus'!
