Dear Parents and Guardians,

As we close on 2018, the new year brings all of us an opportunity to enjoy a new start. With each passing year, it is more and more important to say thank you for all of your parental support throughout the year. We are blessed to have students who are eager to arrive at school and demonstrate a great deal of excitement to learn every day. This is a direct tribute to the Demarest staff creating a positive and safe learning environment.

The Demarest Board of Education and our administrative team wish you and your families a joyful holiday season and a peaceful New Year.

Sincerely,
