Dear Second Grade Parents,

This letter is to inform you about the Second Grade Show. It is titled, “*When I grow up, I want to be...*” In this show, the students will explore their dreams of future careers, learn biographies of famous people and present it all in a fun and playful way. They will have the choice to portray any profession they want and will present it through songs, dances and speaking parts. It is a great reinforcement of the second grade curriculum, which allows the students to have meaningful fun in both the classroom and stage.

The show will be presented on Friday, April 26, 2019 at 1:30 P.M. Please mark your calendars for this special event.

All students will have a speaking part and be part of the chorus. We are in the process of choosing the parts for each student. By the end of January all students will receive their speaking parts.

We are so excited about this special presentation. Children are fascinated with acting stories. This is a wonderful opportunity for the students to be involved in a music production and connect music to other forms of art. They are certainly enthusiastic and eager to perform and we look forward to presenting this in April.

If you have any questions, please contact me via email at: mach@nvnet.org

Sincerely,

Mrs. Mach
