Jump Rope for Heart – Reminder

February 11, 2019

LLE School's Jump Rope for Heart Event is scheduled for this Tuesday, February 12th. Please have all pledge envelopes returned to me by that day.

We understand at this time that not all students will be able to participate in the fundraising program. Regardless of whether your child will participate in the fundraising activity, we would like to have all LLE students participate in the actual jumping event on February 12th. **Please make sure all students wear sneakers on that day.** If you need additional fundraising envelopes, please ask your student to see me during the school day.

Please email me at Paspalas@nvnet.org or call me at (201) 768-6060 Ext. 52256 if you have any questions. In the event of a snow day or delayed opening, the event will be rescheduled for Tuesday, February 26th.

Sincerely,
Cindy Paspalas, RN, CSN
School Nurse Luther Lee Emerson School
