## “Masked Selfies”

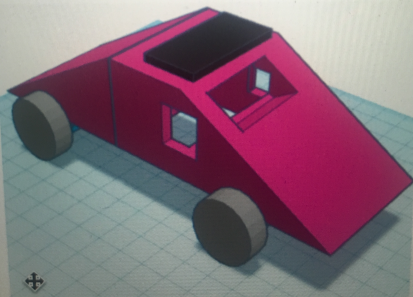

During the month of October fifth grade students drew a self-portrait, which included a mask bearing a famous work of art as a public service announcement to encourage others to be safe and healthy.

## Student Council

On September 25<sup>th</sup> the DMS student body held an election for its Student Council Officers. Students made video based speeches that were played for the school population prior to voting. Congratulations to Gabe, Casey, Jordan, and Hannah.

**BE SAFE, AND WEAR A MASK**

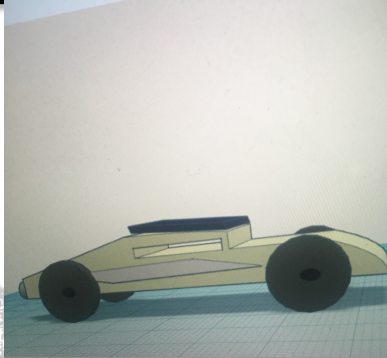

## Engineering and Design

The 6th grade STEM students designed, engineered, and tested aerodynamic balloon rocket cars. They then moved on to drawing 3 dimensionally when creating an aerodynamic solar car using TinkerCad.

## Studying Space:

Sixth grade students along with Mr. Quillen have been studying NASA's Artemis project. An ad hoc contingent of students self-dubbed the "Demarest Space Agency" are seeking to make connections with NASA scientists to further their learning.

## Costume Contest:

Our Student Council organized a costume contest for October 30<sup>th</sup> and all students were encouraged to participate. The PTO also held a raffle for all students wearing a costume.

DO YOU WANNA BE SAFE?  
WEAR A MASK!
