Character Education

During Health classes, Ms. Donahue and Ms. Rinckhoff have partnered to provide our students with character education lessons. Students have been learning responsibility, empathy, emotions, and the importance of positive role models.

Veterans Day Art

Students in our Select Visual Arts program recently made patriotic art for the residents of Paramus Veteran's Home. The art was delivered on Veteran's Day and examples can be seen in this newsletter.

Breakout EDU

Next week 6th grade students will engage in a digital escape room challenge. In this experience, students will examine decisions writers make such as word choice.

Flipgrid in Spanish

In Spanish classes, students use Flipgrid to upload videos in a closed environment, listen to each other, and leave feedback. This allows students to safely publish their work online for an authentic audience that is moderated by the teacher.

Historical Crime Scene Investigations

In 7th grade U.S. History, students have participated in “Historical Crime Scene Investigations: for years, but never like this! HCSIs have gone fully virtual as students sift through historical pieces of evidence and engage in thoughtful discussions about crimes committed in the past.
