Mr. Marc Gussen at CRS

Students at CRS were lucky enough to have Mr. Marc Gussen from the Closter Nature Center visit! He showed some cool animals such as a spotted leopard gecko! Mr. Marc also discussed some pond animals and all about their habitats. Thank you so much for visiting CRS!

Snowy Winter Activities

Winter can feel like a long time, but with some fun activities to do in the snow it can be a very fun time! Here are some creative ways to make your cold snowy day an adventure! You can visit this link for some great ideas!

Spotlight on Kindergarten

Happy 2022! The Kindergarten classes have had a very busy start to the new year by addressing Nutrition and living a healthy life. The students completed a *My Plate*, and discussed the food groups and their importance to our bodies. In our new reading series called *Into Reading* this unit corresponded very well to the stories read such as "Being Fit", "Get Up, and Go!", and "Getting Rest". Here's to a happy and healthy 2022!
