Welcome Back!

The administrators, teachers, and staff would like to welcome you back to the 2022-2023 school year! As we start our new school year, it is important to have a homework routine.

1. Set aside a place designated for homework
2. Get it done early
3. Quiet environment to help concentrate
4. Organize the workspace
5. Have a healthy snack

Dear CRS and LLE Families,

It was amazing to see all of us together for Back to School Night at each of our elementary schools. There was great excitement in the air amongst all participants as it was the first time that we were all together for this event since November of 2019. I hope that everyone enjoyed meeting the staff and visiting your child's classroom.

This is the first of our bi-weekly newsletters that you will receive via email. Please be sure to read them carefully as they contain important information, fun facts and pictures of our events. As I mentioned the other evening, please be sure to view the calendar on the school website where you can find the dates and times of important events throughout the year. The one event that the date has not been chosen, is for the 4th grade Moving-Up Ceremony as we set that date in the spring.

Below are some important reminders and dates to remember:

Reminders:

- Please be sure that your child's backpack and lunch box has everything it needs in the morning before you leave the house.
- If your child walks to school please remind them to use the crosswalks that have a crossing guard. There are some that do not and this can create a hazard.

Enjoy the weekend and beautiful weather.

Best,

Mr. Mazzini
