Harlem Wizards

On March 29, the Harlem Wizards basketball team visited CRS and LLE to show students tricks and talk about the upcoming basketball game on April 29th at Northern Valley Demarest High School.

LLE Me and My Dance

On Tuesday April 4th, LLE families were able to participate in the Me and My Dance. Each student was able to bring a special person with them and participate in the fun activities. Thank you to the PTO for organizing this amazing event for our LLE students!

Spotlight on Fourth Grade

Fourth grade is wrapping up their historical fiction unit in reading. Students read a historical fiction book independently and wrote a journal entry from the perspective of the main character in their books. Also, a writing celebration took place this week where students shared their opinion writing pieces with each other. Soon, the students will be picking the person that they would like to be for their Wax Museum project. The fourth graders are looking forward to all of their fun end of year events!
