First Grade Play

On March 24th, the first graders put on a wonderful performance of Disney songs for their families. Thank you to Ms. Ahn for a fantastic show and Mrs. Stokes for the beautiful artwork.

CRS Me and My Dance

On March 28th CRS was able to participate in the Me & My Dance. Each student was able to bring a special person with them and participate in the activities. Thank you to the PTO for this amazing event for our CRS students!

Spotlight on Third Grade

Currently in math, third grade is learning about how to identify equivalent fractions using number lines, models, and multiplication. In reading, we have been working hard on text structures including description, sequence, problem and solution, compare and contrast and cause and effect. We have a growth mindset and in writing we have created flowers stating what we have learned thus far in third grade. In social studies and science, we just finished up our New Jersey unit where students identified the regions, counties, cities, and resources of our state. Lastly, in science we are beginning to learn all about plant life cycles.

Dear CRS and LLE Families,

The warm weather is starting to show its face and the students are truly enjoying it during recess time. Please be sure to dress your child appropriately for the weather as it can still be chilly at times. Below are some great experiences the students had over the past couple of weeks as well as some upcoming events.

- We would like to thank our DMS students who visited County Road and Luther Lee Schools to introduce our students to the play *Legally Blonde* that has its last performance tonight. The students and staff were amazed by their singing and acting skills.
- Congratulations to our 1st grade students on a job well done as they performed their show *A Visit to Disney*. We thank Ms. Ahn for her musical leadership and Mrs. Stokes for the beautiful scenery.
- Thank you to our PTO for hosting an amazing and fun night out for our County Road School families during the *Me & My Dance*. All participants had an amazing time!
