Demarest, NJ – March 15, 2018

Demarest School District is proud to announce that on Saturday, March 10th, Demarest Middle School's 7th grade science teacher, Ms. Paige Sydoruk completed her doctorate degree in education at Seton Hall University. Her dissertation topic of study was focused around analyzing the level of higher-order thinking questions embedded into an online-based tutoring program. Dr. Sydoruk has been part of the Demarest Middle School staff since 2013.
