April 29, 2022

Second Grade Play

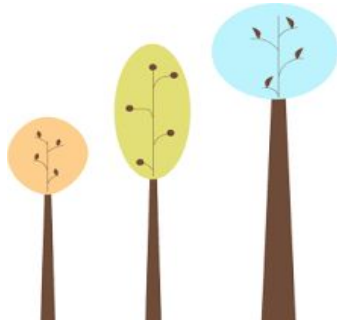

On Thursday, April 28, the second graders performed their play, 'Sing Me a Story.'

Students enjoyed being able to perform for their families. Thank you to Mrs. Mach for a wonderful show!

Kindergarten and First Grade's Nature Walks

The students in First Grade were able to visit Marc Gussen at the Closter Nature Center. The students in Kindergarten were able to visit the Demarest Nature Center with Marc Gussen. They discussed needs of the animals, plants, and the other wildlife in the area. Thank you to Mr. Marc and the PTO for a wonderful time!

Spotlight on Preschool

A Spring full of fun is being had by all of the Demarest Early Learners! The students have explored the spring season and ways to help our planet. By making connections to stories in our theme like *Leo the Lightning Bug* and *I Can Save the Earth*, we have discovered ways that we can help ourselves, others, and our planet. We practiced reusing and recycling materials in our classrooms while making some awesome creations!
